

February 2010

Dear Baldwin Scholarship Program Friend:

The Baldwin School Scholarship Program was established to provide talented, deserving Middle / Upper School students with limited financial resources the opportunity to maximize their potential through the promise of a better future. Today, 10 students are thriving and taking advantage of the opportunities that a Baldwin education can provide. We are fulfilled and blessed to be able to enrich these deserving students' lives through the gift of a better education. There is no bigger testament to this sentiment than the fact that since the program's inception, we have graduated four students from the program. Two more will be added to this achievement list at the conclusion of this academic year during the 2010 Commencement ceremony in June. Companies like yours have helped ensure that we maintain our promise and commitment to this endeavor, which began in 1998.

The only annual event to benefit the Scholarship Program is the **Golf Escapade Tournament**, which will take place on **Saturday, April 24, 2010** at the Trump International Golf & Country Club. Attached with this letter are the sponsorship categories and agreement. We ask that you review each carefully and consider supporting this cause by selecting one of them.

We invite you to be part of this wonderful cause and make a difference in the future of these students. Thank you for your consideration, and should you have any questions, please don't hesitate to contact the Development Office at (787) 720-2421 ext. 250 / 244.

Please note that in an effort to limit the amount of paper generated in these mailings, we ask that you provide a valid email address to serve as the main form of communication for all tournament related announcements.

Sincerely,

A blue ink signature of Mr. Jorge Padial, consisting of a stylized 'J' and 'P'.
