The Baldwin School Scholarship Tutoring program serves as an integral part of the selection process for scholarship applicants every year. The volunteer tutors are a group of dedicated students chosen for their merits. Under the guidance of the two volunteer teachers, these Baldwin students provide teaching and mentoring to the applicants for five consecutive Saturdays giving them an opportunity to help others while improving their communication and interpersonal skills.

We acknowledge their dedication to this community service!

What our teachers say

"The tutors were excellent. They really got involved with the scholarship candidates and communicated well with staff. They were very amenable and extremely enthusiastic."

"A valuable experience for both sides."

"Another successful year with excellent tutors"!

What our Student Tutors say

"I feel that this helped both my confidence and public speaking skills. It has been a very rewarding experience."

"I got a great sense of achievement each week."

"It was an enlightening experience to feel that through my help, I was making a difference in their lives for years to come".

"I finally understand why teachers find teaching gratifying"!
