

70's Alumni Reunion Latest Information

Our first communication regarding the 70's reunion was titled: "Calling all Baldwin Bandits, sorry no Bulls allowed." Many Bandits who graduated in the early 80's have expressed their desire to attend the event but think they are not included for not having graduated in the 70's. Not so. If you graduated in the early 80's you are still a Bandit and we would love to have you join us. The hotel is accepting reservations for our group. Room rate is \$139 and will be honored three days prior and three days after the reunion for those who want to take advantage and take a vacation. You can make your reservations and get information on the event, hotel facilities and even link to the Baldwin website by visiting: <http://cwp.marriott.com/sjuiv/baldwinalumnireunion/>. We are also working on a power point presentation. Send us photos you want included with a caption or comment and please identify the alums when ever possible. With the power point presentation and the photos we take during the weekend we will then prepare a DVD's to share with you all.

To help us plan the last details we are preparing a reunion registration form. This form will be the one used when giving the hotel our pre-guarantees as well as any special needs for food and beverages. We want to make sure we meet all the minimum requirements set by the hotel and want to plan accordingly. As soon as the form is ready we will post on the website and the event page in Facebook as well as the hotel's group page. Payments for the two events in the hotel can be paid with check (made payable to Baldwin School Alumni Association) or by credit card (Master Card and VISA) preferably before the event. Prices are \$45 p/p for Friday and \$20 p/p for Sunday (children under 12 half price)

Take a look at what we have planned for your visit in June:
