

Dear Baldwin Alumni,

As you all know, the Alumni Office had been working very hard to organize the first Alumni Weekend Get-Away at the Gran Melia resort from June 26 – 28, 2009. Our intention was to continue to look for fun and interactive ways to strengthen our association other than the Alumni Gatherings held throughout the year and the Holiday party in December.

Despite the initial enthusiasm and excitement in organizing this weekend, as of today, June 4, 2009, no alumni has registered with the hotel to reserve any rooms. **For this reason, and with much disappointment, we must communicate to you all that we have decided to CANCEL this Alumni Weekend Get-Away event.**

Despite this unfortunate, but necessary decision, we will continue to look forward to the 2009 -2010 year with a positive attitude and ask all of you to support the alumni association in some way or another. We take this opportunity to remind ALL of you that you are the driving force behind this association, and if we are to continue to grow and succeed in the future, it cannot be without your support.

Sincerely,

Trudy Pennock  
Director Alumni Relations
