Alumni Board

For the past two years, it has been a pleasure to work with the Alumni Board elected in 2006. We would like to take this opportunity to thank: President-José Fagót-Díaz '78, Vice-President—Yasmine Hussein '98, Secretary—Laura Vilaró '97, and Treasurer—Annette Rodríguez '01 for their assistance and dedication these last two years.

Nonetheless, we feel that the time has come to allow the same opportunities to other interested members of the association to refresh the ideas and keep heading forward with a new goal and strategies to achieve them.

A new position will be established to facilitate the communication of the Board with the rest of the Alumni Association. This will be the *Class Agent / Communications Coordinator*. This person will be in charge of notifying any and all information coming from the board to the other class agents so that they in turn notify their class members. The goal is to make the communication amongst the association members more direct and personal.

At the General Meeting, to take place on August 20th, we will be electing our new Alumni Board for the next two years. If anyone is interested in any of the

positions, please don't hesitate to e-mail Trudy Pennock at: tpennock@baldwin-school.org to volunteer. Any alum wishing to head a specific committee, but not necessarily be part of the executive board is also welcome to send their suggestions or attend the meeting.

Alumni Online Community

not only to update our files and contact information, but also to maintain a more personalized interaction with our alums. Every day more and more graduates of the earlier decades register. What's more impressive is that

more attendants of Baldwin from the late 70's and early 80's reconnect with classmates they haven't heard from in 15-20 years! Technology is a powerful thing and so, we encourage you to register NOW!

Our excitement continues to grow every time we accept new alumni into our Online Community. This communication tool has been invaluable to the Alumni Affairs Office

40th Anniversary Class

The first class to graduate from Baldwin School was in 1975. Thirty-three years later, as we celebrate the 40th anniversary, we honor the class of 2008.

In 1975, 22 Seniors graduated from Baldwin. This year, 51 Seniors graduated. A lot has changed since 1975, but it is great to see how far Baldwin has come and grown the last 40 years.

The Segarra Beauchamp family has a lot to celebrate! Baldwin alumni and high school sweethearts Mr. Oriol Segarra '79 and Michelle Beauchamp '81 proudly witnessed their son David Segarra graduate as a member of the class of 2008.

We congratulate this wonderful family and wish David the best of luck on his new journey in college.

Class Dues - We are currently accepting the Alumni dues for the 2008—2009 academic year. The fees currently stand at \$10 for graduating 5 years ago or less, and \$25 for all that graduated more than 5 years ago. Although dues are not mandatory, we continue to reiterate their importance as a way to continue to generate income for the association, and we kindly request your support and cooperation in this matter.
