

## "Noche de Galeria" @ Baldwin a Complete Success

Congratulations to Kike Arce '99 and Vicente Casellas '05 for their presentation of their artistic renditions in photography as part of our first installment of "Noche de Galeria at Baldwin." The event, sponsored by the Alumni Association, was a tremendous success and both artists were able to sell most of their individual collections.

This event, that we hope will become a tradition at Baldwin, will be scheduled for the month of December every year. We hope to present the works of not just our alumni community, but also many talented artists from our staff, faculty and parent community.
