

Vaccination Clinic on March 2, 2017

Baldwin School Infirmary will be offering a vaccination clinic on **Thursday March 2, 2017 from 2:00pm to 4:00pm** for our students and employees, to receive the 2nd hepatitis A, 2nd and 3rd Hepatitis B and, 2nd and 3rd Human Papillomavirus (HPV). The vaccination clinic will be held at the Infirmary and the service will be provided by Doctor Carlos Comas' staff.

To participate in the clinic you must fill out the information requested below and bring it to the Infirmary no later than February 28, 2017. The day of the vaccination clinic you must bring the health insurance card(s) of the person(s) that will be receiving the vaccine. Your insurance will be billed for the cost of the vaccines. Student's parent/guardian (or designated adult) should be present during the vaccination process.

The day of the clinic Dr. Comas' staff will be also offering to teens aged 11 and 16 years the Meningococcal (MCV) and the Tetanus and Pertussis (Tdap) vaccines. These vaccines are required by the Puerto Rico Health Department.

All vaccines to be administered are recommended by the Puerto Rico Health Department, the Center for Disease Control (CDC) and the Advisory Committee on Immunization Practices (ACIP).

If you have questions contact Baldwin School Nurse Betzaida Rivera at 787- 720- 2421 Ext. 266.

Below is the Information you should submit to the Infirmary by February 28, 2017:
